

Alok Kumar Agarwal

Former Chairman of Alankit Group of Companies

Mr. Alok Kumar Agarwal, the former chairman of Alankit, has soared the Alankit Company by venturing into dynamic business spaces and developing efficient financial solutions. Alok Kumar Agarwal's passion, dedication, and strategic business acumen have acted as the catalyst for a phenomenal transformation of the Alankit Group. His philosophy has been a blend of fiscal prudence and continuous innovation for the sustainable growth of the Alankit Company. His entrepreneurial skills and deep industry expertise have underpinned the success of Alankit Group.

Mr. Alok Kumar Agarwal is credited with having founded Alankit Group. Under his leadership, the Alankit Company he founded became one of India's market leaders and a widely renowned name. Mr. Alok Kumar Agarwal is an insightful businessman with an unending love for numbers (as he is a Chartered Accountant by profession) who was willing to take risks and was aware of the importance of marketing. Moreover, he understood the need to build inventories in order to generate income. Armed with this knowledge, he decided to launch Alankit Group, which takes care of multiple products and services serving all the angles of the financial, e-Governance, Insurance Broking, and Healthcare sectors.
